

What Are These New Mighty Sounds?

By Karen Sue Nyquist

"I recite my composition concerning the King; My tongue is the pen of a ready writer." (Psalm 45:1)

1. What is that new mighty sound,
That shakes the heavens and quakes the ground?
It's the Lion of Judah, it's His great roar,
Rising and leading in spiritual war!
2. What is that new resounding sound,
Coming up from the ground?
It's Jesus' church, as we arise,
Our mighty shouts fill the skies!
3. The righteous are roaring as a lion.
With screeches of eagles, we are flyin'.
Declaring God's Word, like a sword,
Yet, humbly following our Savior and Lord.
4. Breaking off the yokes of sin,
Christ's Holy Spirit floods us within.
As we shout, walls tumble down.
We have breakthroughs all around.
5. The Lord's benefits are so great,
Forgiveness, healing for His name's sake.
Angelic protection during this great war,
As He leads us through open doors.
6. Eternal life! We shout with praise,
Powerful testimonies fill our ways.
Heavens open and glory abounds,
The earth is filled with joyous sounds.
7. It's the season of full restoration
For each of us and for our nation.
Satan, pay back more than double
For all our suffering and all our trouble!
8. You demons of darkness tremble in fear,
You know your defeat is drawing near!
The church revealing we're sons of God.
Signs and wonders! The world is awed.
9. Sharing the gospel, there're happy sounds,
Coming from the earth all around.
It's the sound of souls being born again,
Their hearts let Jesus' Spirit in.
10. As people repent, touched by God's love,
Angels rejoice in heaven above.
Our prayers of worship and thanksgiving,
Music and singing as we're dancing.
11. What are these new mighty sounds about?
It's Jesus' return with triumphant shout!
It's the voice of an angel and the trumpet of God!
As we His children shout and applaud!
